

Racquets - Tennis and Squash - Simcoe Ontario

Racquets - Tennis and Squash

Norfolk Golf & Country Club In an effort to encourage our full year operation and add value to the Racquet Membership we have now blended the Squash and Tennis sections to be one Racquets Section.

Squash Court keys will be changed annually at February 1st. The cost of an access key is \$5.00. The key that is distributed is the property of the Norfolk Golf & Country Club and should not be lent to anyone for any reason.

It is important that all racquet members ensure that guests pay the court access fee either in the Pro Shop or in the Coffee Shop. Having guests pay court access fees helps ensure keeping membership rates down. As well, please report any known persons who may be using the facilities without permission.

Court Access Fees

(non–member access)

9.35 base + 0.65 tax = 10.00

Contact us to book a game of tennis or squash .
